Dear Sirs/Madams:

**Re: Sifton Properties Limited**  
**The London Plan**

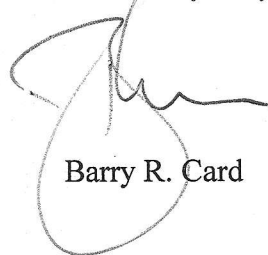

I am writing to you on behalf of my client, Sifton Properties Limited ("Sifton").

The designations which the third draft of the proposed new Official Plan applies to the area covered by Amendment Numbers 606 and 607 (to the current Official Plan) are premature, because the appropriateness of these changes is under review by the Ontario Municipal Board.

It is respectfully submitted that the proposed new Official Plan should carry the present Industrial designations forward.

I also note that the changes to the third draft were made without notice or explanation to those who have an interest in the matter.

Yours-very truly,

Barry R. Card
