---

On behalf of our client, Brian Sigmund, we thank you for the opportunity to provide comments on the third revised Draft of the London Plan. Based on our review of this latest Draft, it appears as though our client's concerns, which have been expressed through our previous review and written submission from June 23, 2015 have not been addressed.

As such, we request that the third Draft of the London Plan be sent back to staff to resolve all outstanding concerns, as outlined in the above noted correspondence, prior to adoption.

We look forward to our client's issues and concerns being addressed, and we continue to request to be provided Notice of all decisions with regard to the London Plan, and all other related matters.

Respectfully,

**MONTEITH BROWN PLANNING CONSULTANTS**
