<b>BACKGROUND</b>
-------------------

**Purpose**

The subject parcel of land owned by Peter Brander Inc., In Trust, is a small remnant parcel of land that has no building capabilities and has been in private ownership since the subdivision was developed.

The donation of this parcel will be added to the abutting lands owned by the City, known as Briscoe Woods. No additional costs will be incurred by the City in maintaining the site as it represents a very small addition to the existing passive use parkland and will remain in its natural state with no additional City liability with respect to environmental issues.

A plan is attached for the Committee's information.
