Hello Joni\Judy\Heather,

My name is Anthony Strong and I have been the proprietor of 772 Hellmuth Ave for the last 5 years. I am writing you with my concerns for the demolition plans of 764 Waterloo. I am not against development or change to that property/corner, but I do love the character of my neighbourhood and think it is not unreasonable to ask for the approved design plans before destruction is set in motion. Normally I do not like to get involved in other peoples business; however, the potential negative impact to my home by this "unknown" is enough to draw me into action. Please help in settling my concerns.

Thanks

Anthony P. Strong
