

Committee: **Housing Development Corporation**

Organization/Sector represented: **N/a**

Name: **Dan Ross**

Address:

**506 West Edith Cavell Blvd
Port Stanley, ON
N5L1G9**

Home telephone: **519-782-7023**

Business telephone: **519-871-6543**

Email: Daniel.ross1@sympatico.ca

Occupation: **Lawyer/ business**

Work experience: **Law with Harrison Elwood and McCarthy Tetrault, managing partner with the latter in London. Executive VP of dual listed (TSX/Amex) public company, President and CEO of the London Health Sciences Foundation. Private consulting practice - Ross Strategies & Solutions Inc.**

Education: **LLB Western, Law Society of Upper Canada, Canadian Bar Association, National Council of Foundation Executives**

Skills: **I served a broad clientele in the Development industry in London and interacted regularly with Council, Committees and Staff. I have in depth expertise in Not For Profits and charitable organizations. My legal training and leadership skills have served me well over many years..I have chaired the London Health Sciences Centre Board, served on the Ontario Health Services Restructuring Commission and have chaired and served upon numerous charitable and/or Not For Profit organizations. I have a good understanding of pertinent legislation.**

Interest reason: **I believe strongly in our City and its future, having worked in London in almost my entire career. I have had initial discussions with Staff and strongly support this initiative. I believe my skill set can bring value to the HDC.**

Contributions: **I believe my legal background and familiarity with municipal and provincial government structure and decision making will bring value to the HDC. I have extensive experience with NFPs and similar organizations as well as a background in Board governance as a Board member and as legal Counsel.**

Past contributions: **Ontario Health Services Restructuring Commission,, Mayor's Committee (London Economic Prosperity)', Council Compensation Review Task Force, LHSC Board, London Health Sciences Foundation Board, and numerous charitable and NFP Boards.**

Interpersonal: **At this point, over 40 years - it is and has been a big part of my life! I have enjoyed and learned immensely from a number of leadership positions and have taken great pride in the success of those with whom I have worked.**

Interview interest: **Yes**
