

PUBLIC PARTICIPATION MEETING COMMENTS

21. Property located at 4425 Wellington Road South (Z-8573)
- Harry Froussios, Zelinka Priamo Ltd., on behalf of the applicant – expressing appreciation to staff for bringing this matter forward for the Committee’s consideration tonight; advising that he has no issues with the recommendation for the zoning amendment; indicating that with the site plan recommendations, we might have some challenges with orienting the main entrance with the street with having to provide a 10 meter wide landscape strip, having it heavily treed and the uses that are intended for this site are going to be much more vehicle oriented so we may be looking for some flexibility in that but we will work with staff to provide the best site plan possible.
