Mayor and Members of Council

**Re: Board of Directors – Association of Municipalities of Ontario**

Reference is made to my letter of May 13, 2016 requesting the support and approval of Council to put my name forward for election to the AMO's Board of Directors, Large Urban Caucus, for the 2016/2018 term. I am respectfully withdrawing my request for this support and approval due to ongoing health challenges.

I am hopeful that in the near future, I will be able to put my name forward to participate on AMO Task Forces and I would encourage other Councillors to put their names forward as well.

I apologise for the lateness of this request, however, I was hopeful that I would be able to continue to put my name forward for election, however it has become apparent that I am unable to fulfill this commitment at this time

Thank you for your consideration of this matter.

Jared Zaifman  
Councillor, Ward 14
