Subject: O-8478 BIGS Secondary Plan - PEC August 22, 2016

Dear Ms. Lysynski,

Please include my comments regarding the BIGS Secondary Plan (O-8478) on the added agenda for Planning & Environment Committee on Monday August 22, 2016.

I have reviewed the BIGS Secondary Plan (August 2016) and staff report prepared by Leif Maitland. The statements in the staff report reflect my opinion regarding the future of 350 Wharnccliffe Road North; inclusion within the Central Neighbourhood Node best recognized the existing conditions and future of 350 Wharnccliffe Road North.

I would like to thank staff and Councillor Squire for their responsiveness and diligence in working on this important planning matter.

Regards,  
Dorothy Gonyou
