**RE: AMENDMENTS TO THE TRAFFIC AND PARKING BY-LAW**

This letter is a communication of support for the Amendments to the Traffic and Parking By-law. I am excited to see the first implementation of reduced speed limits in school zones at three schools across the city. I would like to thank Civic Administration for their efficiency on moving ahead with these changes, and I look forward to seeing more recommendations for reduced speed limits in school zones come forward over the next several months.

Regards,

Virginia Ridley
