NOTICE OF APPLICATION TO AMEND THE ZONING BY-LAW

The Municipal Council for the City of London is considering an amendment to the City's Zoning By-law for the lands shown on the attached map. The requested change is described below. We are advising you of this application to invite your comments.

APPLICANT:

2116782 Ontario Inc. (Sungji Park, President)

LOCATION:

607 Wellington Road - see attached map

PURPOSE AND EFFECT:

The purpose and effect of the requested Zoning By-law amendment is to add a range of office uses, including medical/dental offices and clinics, to the existing list of permitted uses.

POSSIBLE AMENDMENT:

Change Zoning By-law Z.-1 from a Highway Service Commercial (HS2) Zone which permits animal hospitals, restricted automotive uses, convenience service establishments, convenience stores, duplicating shops, financial institutions, personal service establishments, restaurants, video rental establishments, brewing on premises establishments, automobile repair garages and taxi establishments, to a Highway Service Commercial Special Provision (HS2(3)) Zone which permits offices, medical/dental offices, clinics, laboratories, retail stores and liquor, beer and wine stores, in addition to the other existing permitted uses on the site.

The City may also consider special zoning provisions to recognize existing site conditions, such as lot frontage, building setbacks from property lines, and parking.

PLANNING POLICIES:

Any change to the Zoning By-law must conform to the policies of the Official Plan, London's long-range planning document. These lands are currently designated as "Auto-Oriented Commercial Corridor" in the Official Plan, which primarily permits commercial uses that cater to the commercial needs of the travelling public. Secondary permitted uses include those that serve employees of the adjacent employment areas.

The subject lands are in the Rapid Transit Corridor Place Type in *The London Plan* (Council-adopted but not in force and effect), permitting a range of residential, retail, service, office, cultural, recreational and institutional uses.
