c/o Committee Secretary

Re: Ongoing labour dispute between the City of London and the LPFFA

I would respectfully request delegate status to address a Committee of Council, preferably the Strategic Priorities and Policy Committee, in regard to providing the Association's perspective on the ongoing labour dispute between the City of London and the London Professional Firefighter's Association (LPFFA).

As you may be aware the contract between the City and LPFFA expired in 2010 and since we have been embroiled in lengthy and very costly interest arbitration.

Recently the parties met again at mediation under a strong urging of the arbitrator to attempt reaching a settlement. Unfortunately mediation was not successful and I feel that it would be beneficial to the Taxpayers of London for elected officials to understand the Association's perspective.

Thank you in advance for your consideration on this matter,

Jason Timlick
