

MHWG Oct 3rd, 2016, 8:00 PM

Present: Michael D, Michael C, Florencia,

**Item 1**

Gary Bridge advised he was unavailable to attend the October MHWG meeting to provide the information necessary to complete a review and assessment of city policies, practices and materials. He has been invited to the November meeting.

**Item 2**

A summary of recommendations developed to date (17 in total) was reviewed and supported by those in attendance.

**Item 3**

Recommendations to be sorted by broader topic (e.g. training, service delivery). A report will be prepared including:

- Detailed information on the rationale and intent of each recommendation;
- local MH stats and information;
- simplified summary of all recommendations

Once all information is received from the city and incorporated into the report framework it will be presented to ACCAC for consideration.
