NOTICE OF APPLICATION TO AMEND THE ZONING BY-LAW

The Municipal Council for the City of London is considering an amendment to the City's Zoning By-law for the lands shown on the attached map. The requested change is described below. We are advising you of this application to invite your comments.

APPLICANT:

Old Oak Properties

LOCATION:

515 Richmond Street - see attached map

PURPOSE AND EFFECT:

The purpose and effect of the requested Zoning By-law amendment is to permit the demolition of the northerly portion of an existing retail plaza to facilitate the development of a 101 metre tall apartment building containing 175 one and two bedroom units (see attached Figures 1 and 2). An additional storey of parking is also proposed to be added to the existing four-storey parking structure along Dufferin Avenue. A removal of a holding provision requiring a wind impact assessment will also be considered.

POSSIBLE AMENDMENT:

Change Zoning By-law Z.-1 from a Holding Downtown Area (h-3•DA2•D250) Zone which permits a wide range of retail, commercial and office uses as well as apartment buildings and apartment hotels to a maximum density of 250 units per hectare and a maximum height of 90 metres to a Downtown Area Special Provision (DA2(_)) Zone to permit: a wide range of retail, commercial and office uses as well as apartment buildings and apartment hotels. The requested Special Provision would allow for an apartment building with: a maximum density of 342 units per hectare; a maximum building height of 101 metres; and, a maximum building setback of 4.5 metres along the Richmond Street frontage.

PLANNING POLICIES:

Any change to the Zoning By-law must conform to the policies of the Official Plan, London's long-range planning document. These lands are currently designated as "Downtown Area" in the Official Plan, which permits a wide variety of land uses, including commercial uses and apartment buildings (normally not exceeding 350 units per hectare).
