City of London Council  
300 Dufferin St  
London Ontario

Re: 51 Chesterfield Ave Apt 5  
London Ontario, N5Z 3M9

Dear Council !

As you are aware water rate increases are approved by council, in 2013 the rate increase was approved at 7%. However my water bill was increased by approx 55%. Who had the authority to over rule council? I request council to roll my water bill back to the 7% approved increase. Please refund my overpaid monies.

Hope to hear from council soon.

Your Truly

Martin Bruggeman.
