Woodfield
London, Ontario
WINNER: Great Neighbourhood

JURY STATEMENT: Woodfield is a vibrant historic Victorian neighbourhood located in the heart of London. The picturesque neighbourhood showcases many homes and rustic Ontario cottages, many built in the 1840s. Woodfield features walkable and well-frequented commercial and public spaces, including Victoria Park, and is the location of many community events including a street fair, plant exchange and Harvestfest. The balance of historic preservation and community vibrancy made this a unique entry.
