

Hi Jackie,

Unfortunately I am going to send my regrets to AWAC, I have recently taken on new responsibilities at work and do not believe I can commit to this committee moving forward. I believe there is great value with AWAC and feel having individuals who can be available and provide insight during these meetings is beneficial and I would not want to fill a spot I can longer be available for.

I would like to take this opportunity to thank yourself and the group for allowing me the chance to sit on this committee even for a short time. I believe it is extremely important within London to have the dedicated individuals that this group provides for animal welfare.

Thank you again, my sincerest apologies

Amber
