

## PUBLIC PARTICIPATION MEETING COMMENTS

### 13. PUBLIC PARTICIPATION MEETING - Property located at 551 Knights Hill Road (Z-8675)

- Matt Campbell, Zelinka Priamo Ltd., on behalf of the applicant – pointing out that there is a proposal or notion to do a façade treatment on this building similar to the one that was just done adjacent to the north; advising that that building looks excellent, it is really nice to see going along Commissioners Road and they anticipate that happening to this building as well; indicating that it is an excellent reuse of the building and an excellent addition to the neighbourhood.
