Hello,

I would like to address LACH at their Feb. 8, 2017 meeting. Briefing I would like to speak with them regarding an opportunity to present at their March meeting a case for prioritizing the North Talbot Neighbourhood Heritage Conservation District.

The presentation would be at their March meeting but I would like to speak with them on Feb. 8, 2-17 regarding the best way forward to prioritize North Talbot as a heritage district.

Thank You
