Councillor Bill Armstrong,

Please accept this letter of support regarding the application to re-name Mildred Barons Park to Vimy Ridge Park.

The Argyle BIA is in support of this change as 2017 marks the 100th anniversary of The Battle of Vimy Ridge and it is our goal to dedicate a park space in honour of our Canadian Veterans past, present and future.

Working in partnership with the City of London and our Community Partners; we hope to revitalize the existing park space to serve as a greenspace and hub. This hub will serve The Argyle BIA our Members, other local businesses and the community to host events and celebrate our Canadian Veterans annually.

Thank you for your time and consideration, please do not hesitate to contact me should you have any questions.

Sincerely,

Heidi Currie
