Attention: Mr. John Fleming, Managing Director,
Planning and City Planner

Dear Mr. Fleming:

Re: Staff Report - The London Plan - Appeal to the Ontario Municipal Board

We are counsel to York Developments and its various affiliated entities. On January 19, 2017, we filed a total of ten (10) Notices of Appeal with respect to various portions of The London Plan. Nine (9) out of the ten Notices of Appeal are site-specific in nature (each a "Site-Specific Appeal"). Each Site-Specific Appeal contains a list of policies, maps and tables of The London Plan being appealed as a result of site-specific concerns, as well as an attached "Table 1" that lists additional policies, maps and tables being appealed as a result of more general concerns.

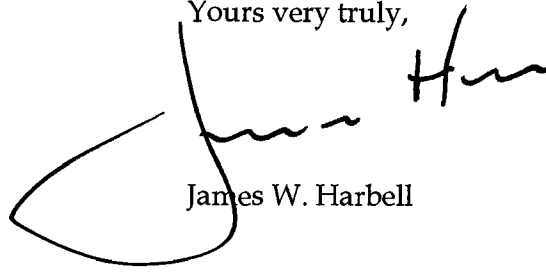

We have reviewed the Staff Report, entitled "The London Plan - Appeal to the Ontario Municipal Board", that will be considered by the Planning and Environment Committee on February 6, 2017 (the "Staff Report"). Appendix A to the Staff Report provides a summary chart of the appeals to The London Plan. Based on our review of Appendix A, the "Policies/Issues under Appeal" column does not include the additional policies, maps and tables listed in "Table 1" to each Site-Specific Appeal. Accordingly, we ask that staff revise Appendix A to fully and accurately reflect the portions of The London Plan under appeal by each Site-Specific Appeal. Please note that there are some variations in "Table 1" to each Site-Specific Appeal.
