K. Scherr
Managing Director, Engineering and Environmental Services and City Engineer

L. Palarchio
Director, Financial Planning and Policy

I hereby certify that the Municipal Council, at its meeting held on January 31 and February 1, 2017 resolved:

2. That the following actions be taken with respect to the 2nd Report of the Advisory Committee on the Environment from its meeting held on January 11, 2017:
 - a) the Civic Administration BE REQUESTED to inform the Advisory Committee on the Environment (ACE) when departmental budgets are available; it being noted that the ACE held a general discussion related to the Sub-Committee structure; it being further noted that the ACE received the presentation appended to the 2nd Report of the ACE from S. Ratz, with respect to this matter;
 - b) the Civic Administration BE REQUESTED to inform the Advisory Committee on the Environment (ACE) of any environmental concerns that have or may arise, related to the removal of trees, in order to install bike lanes in the City of London; and,
 - c) clauses 1 to 5, 7 and 8, BE RECEIVED. (2/3/PEC)

C. Saunders
City Clerk
