Attention: Advisory Committee on the Environment (ACE)

Concerning: Textile Waste and Diabetes Canada's Textile Diversion Program
Changing the Conversation – Clothing Donation Bin Bylaws to Textile Diversion Strategies

Dear Respected Advisory committee members,

On behalf of Diabetes Canada, it is my pleasure to request for delegation status so that we can further discuss this important topic.

On behalf of the 11 million Canadians that suffer from diabetes or prediabetes, we sincerely appreciate this opportunity.

Thank you and Best regards,

Simon
