

Southdale Road West Environmental Assessment Study

Notice of Public Information Centre

The City of London is undertaking a Class Environmental Assessment (EA) study for improvements to Southdale Road West (between Byron Hills Drive and Wickerson Road) and Wickerson Road (from Southdale Road West to 650m north of Southdale Road West). The study will develop and evaluate various design options for improving these roads, as well as providing for other required infrastructure improvements.

Public Information Centre 1	
Date:	March 3, 2017
Time:	4:00 p.m. – 7:00 p.m.
Location:	Byron Optimist Community Centre 1308 Norman Avenue
Format:	Informal Drop-in Session

Public Meeting:

Public consultation is an important component of the study. Public input, including comments, questions and concerns, is welcome throughout the study. A Public Information Centre (PIC) will be held on March 3, 2017, to present existing conditions and alternative design solutions for the proposed improvements. The PIC display materials will be available for review on the City of London website, starting on March 6, 2017.

A second Public Information Centre will be held later in the planning and design process to present the preferred design of the improvements.

Information collected for the study will be used in accordance with *the Municipal Freedom of Information and Protection of Privacy Act*. Except for personal information, including your name, address and property location, all comments received throughout the study will become part of the public record and included in project documentation.
