

Subject: Elimination of Parking Spots from Dufferin to Horton on Colborne

Dear Ms. Saunder,

We're residents of 400 Dundas Street at Colborne where we operate as Fred Astaire Dance Studios Canada.

We currently have very limited private parking in our own lot and our customers heavily rely on public metered parking around our building. The elimination of parking spots on Colborne from Dufferin to Horton will immensely hurt our business. I hope councillors will consider how the new bike path would affect businesses like ours.

We're therefore NOT in favour of the cycle path project.

400 Dundas St Owner,

Michael E. Schultz
