**Re: Commissioners Road Realignment
Class Environmental Assessment Study
Notice of Public Information Centre No. 1**

Dear Ms. Martin,

The City of London is advancing the Class Environmental Assessment (Class EA) Study for the potential realignment of Commissioners Road West from Springbank Drive/Byron Baseline Road, through the Byron Pit, to Cranbrook Drive. The purpose of this letter is to invite a representative of your agency to attend the first Public Information Centre (PIC).

The study is being conducted in compliance with Schedule C of the *Municipal Class Environmental Assessment* (October 2000, as amended in 2007, 2011 and 2015), which is approved under the Ontario Environmental Assessment Act.

The PIC will be held to present the study, including information on alternative planning solutions, existing conditions, evaluation criteria, and design considerations. The PIC is an opportunity to review project information and ask questions or discuss comments with members of the project team and is being held on:

Date: Thursday, March 30th, 2017

Time: 4:00 pm to 7:00 pm

**Location: Byron Optimist Community Centre
(1308 Norman Ave, London, ON N6K 2A3)**

Further information and details regarding the Study are provided in the enclosed Notice of Public Information Centre No. 1. If this Notice has reached you in error, we would appreciate it if you could forward this request to the appropriate contact within your organization or advise CIMA by contacting the undersigned directly.

If you have any questions, please do not hesitate to contact the undersigned at (289) 288-0287 ext. 6834 or Stephen.Keen@cima.ca.

Sincerely,

Stephen Keen, P.Eng.
Project Manager

cc: Ted Koza, City of London

The Study

The City of London has initiated a Municipal Class Environmental Assessment (EA) study to investigate the alternatives for the realignment of Commissioners Road intersection with Springbank Drive/Byron Baseline Road, extending through the Byron Pit to the Commissioners Road/Cranbrook Drive intersection. This project is being carried out under the planning and design process for a Schedule C project as outlined in the Municipal Class Environmental Assessment (October 2000, as amended in 2007, 2011 and 2015).

Public Information Centre

A Public Information Centre (PIC) is scheduled for Thursday, March 30, 2017 at Byron Optimist Community Centre from 4:00 pm to 7:00 pm. Members of the Public, review agencies, Aboriginal Communities and interested parties are encouraged to attend and provide comments specific to the potential realignment of Commissioners Road West. The study team will be available to answer questions and provide information related to study scope, existing conditions, problems/opportunities, alternative solutions, and design considerations.

**NOTICE OF PUBLIC INFORMATION CENTRE NO. 1
COMMISSIONERS ROAD WEST REALIGNMENT
MUNICIPAL CLASS ENVIRONMENTAL ASSESSMENT**

Comments received from members of the public, Aboriginal Communities, agencies and interested parties will be considered where appropriate and incorporated as part of the study documentation. With the exception of personal information, all comments will become part of the public record.

Information presented at the PIC for this study will be posted on the City of London website at <https://www.london.ca/residents/Environment/EAs/Pages/Commissioners-Road-West-Realignment.aspx>. Please contact either of the following team members if you have any questions or comments or wish to obtain more information on this study:
