Re: Youth Subsidized Bus Passes (13 to 18 years of age)

To expand the use of the public transit system and to enhance the actions already taken by Municipal Council to provide subsidized bus passes, I would like to move forward with discussions with the Thames Valley District School Board and the London District Catholic School Board regarding the potential for the provision of subsidized bus passes for City of London youth between the ages 13 to 18 years of age.

I therefore respectfully request support of the following recommendation:

“That the Civic Administration BE DIRECTED to bring forward for consideration and discussion at a joint meeting of the City of London and Thames Valley District School Board Liaison Committee and the City of London and London District Catholic School Board Liaison Committee regarding a potential subsidized bus pass for City of London youth between 13 to 18 years of age.”

Respectfully submitted,

Phil Squire
Councillor, Ward 6
