

LACH Stewardship Sub-Committee Report

Wednesday March 29, 2017

Location: Planning Office, 206 Dundas Street

Start Time: 6:30 pm-8:00 pm

Present: M. Whalley (Chair, in J. Cushing's absence), A. Beaton, J. Hunten, T. Regnier, B. Vazquez; L. Dent, K. Gonyou (staff)

Regrets: J. Cushing, Tara Mclaughlin, M. Tovey,

Agenda Items:

1. Research: 111 Clarence Street

The Stewardship Sub-Committee reviewed progress with research of 111 Clarence Street using the new proposed "horizontal" research methodology. Relatedly, the following was also discussed:

- Establishing a dedicated project research leader and heritage staff coordinator (M. Whalley and L. Dent, respectively)
 - project leader to connect with property owner and filter research through to heritage staff coordinator who will be responsible for compiling and digitally storing research
- B. Vazquez to explore connections of property to Soap Factory to support significance of contextual value
- Benefit of conducting a comparative analysis with similar cottages in the area

2. Research 520 Huron Street

The Stewardship Sub-Committee reviewed progress with research of 520 Huron Street. Relatedly, the following was discussed:

- Project research leader and heritage staff coordinator (B. Vazquez and K. Gonyou, respectively)
- J. Hunten further exploring mapping, genealogy and history to support speculation that the property was designed by Samuel Peters Jr.
- T. Regnier to explore tax assessment and lands records/registry
- A. Beaton to take photos

3. Review: East London Industrial Heritage

a. Details for walking tour?

- The Smokestack District Walking Tour to be led by B. Vazquez, tentatively for May 4th starting at 5:30; to meet in front of McCormick's
- Confirm community groups to invite

4. Research: Crown Livery (620 Marshall Street)

The Stewardship Sub-Committee reviewed progress with research of 620 Marshall Street. Relatedly, the following was discussed:

- K. Gonyou showed image of property from 1966; discussion of possible façade changes over time; What's original? What's not?
- B. Vazquez project research leader; M. Whalley to write up architectural reasons for designation; J. Hunten to explore history further

5. Research: Lilley's Corner (609 Dundas Street)

The Stewardship Sub-Committee reviewed progress with research of 609 Dundas Street. Relatedly, the following was discussed:

- a. T. Regnier to explore tax assessment role information for Crown Livery (620 Marshall Street) and Lilley's Corner (609 Dundas Street)

6. Other Business

- a. Letter of Waiver: Land Registry Records Research (handout)

Meeting adjourned 8:00 pm

Moved: A. Beaton
