Mayor and Members of Municipal Council

Re: Emergent Motion – Change in Meeting Location- May 23, 2017 Planning and Environment Committee Meeting

It is anticipated that there will be significant public interest in the items that will be placed on the May 23, 2017 Planning and Environment Committee Agenda. There is concern that the Council Chambers and overflow rooms will not be of sufficient capacity to accommodate members of the public. In order to ensure the health and safety of the individuals attending the meeting and to provide an opportunity for the public to participate in the meeting, we respectfully request authorization to change the location of the meeting to the Wolf Performance Hall, 251 Dundas Street.

We therefore request support of the following motion:

“That pursuant to section 20.1 of the Council Procedure By-law, leave BE GIVEN for the introduction of an emergent motion to permit the May 23, 2017 Planning and Environment Committee meeting to be held at the Wolf Performance Hall (251 Dundas Street) in order to accommodate the high volume of members of the public anticipated to be in attendance at the meeting.”

Should the emergent motion pass, we request support of the following motion:

“That pursuant to Section 2.6 of the Council Procedure By-law, the Civic Administration BE DIRECTED to make the necessary arrangements for the May 23, 2017 meeting of the Planning and Environment Committee to be held at the Wolf Performance Hall (251 Dundas Street) in order to ensure the health and safety of the high volume of members to the public anticipated to be in attendance at the meeting.”

Respectfully submitted,

Councillor T. Park
Councillor, Ward 13
