

## PUBLIC PARTICIPATION MEETING COMMENTS

9. Property located at 10 Hawthorne Road (Z-8723)
  - William Pol, IBI Group, on behalf of the applicant – advising that this is a good news story, that the “Hungry Butcher” used to be in a market on Hyde Park Road just north of the railway tracks and north of Sarnia Road; indicating that that market closed down and he the “Hungry Butcher” relocated to Dundas Street as well as the Western Fairgrounds and now, with the demand in the area, they have found an appropriate location at 10 Hawthorne Road; advising that this is an opportunity to expand their business and to support the artisanal food market as well as introduce a bake shop at this location; indicating that they have no objection to limiting the size of the development to the existing building; believing that this is sound land use planning.
