### **Matters of Potential Interest**

The following items pertaining to transportation may be of interest to the TAC and are currently, or have since our last meeting been, before council, committees of council, or the LTC.

Members can locate these meetings on the city's Meetings Site (<http://www.london.ca/city-hall/meetings/Pages/default.aspx>) or LTC site (<http://www.ltconline.ca/Agendas.htm>) to read reports, review any related materials, and view presentations made to council, where available.

If a TAC member wishes to discuss any of these items at our next meeting, please try to make people aware ahead of time to ensure everyone has reviewed the relevant materials.
