**Re: Delegation Status at Strategic Planning and Priorities Committee Meeting**

Dear Ms. Rowe:

The London & Middlesex Housing Corporation (LMHC) would like to formally request delegation status at the Strategic Planning and Priorities Committee (SPPC) meeting scheduled for Monday, May 15, 2017.

As the Sole Shareholder of LMHC, it is important that the City of London be informed about the state of repair of LMHC's social housing infrastructure, capital funding need and the Board's future plans on addressing any shortfall and risk. This will be highlighted in a 10 to 15-minute presentation along with the results of the 2015/2016 Building Condition Assessment conducted by VFA Canada Corporation.

We look forward to meeting with the City of London and the opportunity to discuss this important and valuable City asset – public housing. Please kindly confirm our status.

Sincerely,

Josh Browne  
Chief Executive Officer, London & Middlesex Housing Corporation
