

To the members of City Council and the Corporate Services Committee:

The London Heritage Council is requesting a designation of Municipal Significance for the SesquiFest Ontario Craft Beer Garden. This is a craft beer tent garden that will be taking place on June 29 – July 2 from 12pm – 11pm, and July 3 from 12pm-7pm, as part of SesquiFest.

The location for the site is the corner of Carling Street and Talbot Street. Please see our map below for the precise boundaries of the event (Labelled Craft Beer Tent)

Our objective is to showcase various Ontario Craft brewers, their local craft beers and to encourage visitation and activate downtown London in a new and engaging way.

If you have any questions, please contact me by phone or by e-mail at any time.

Cheers,
