

HOW DO WE GET THERE?

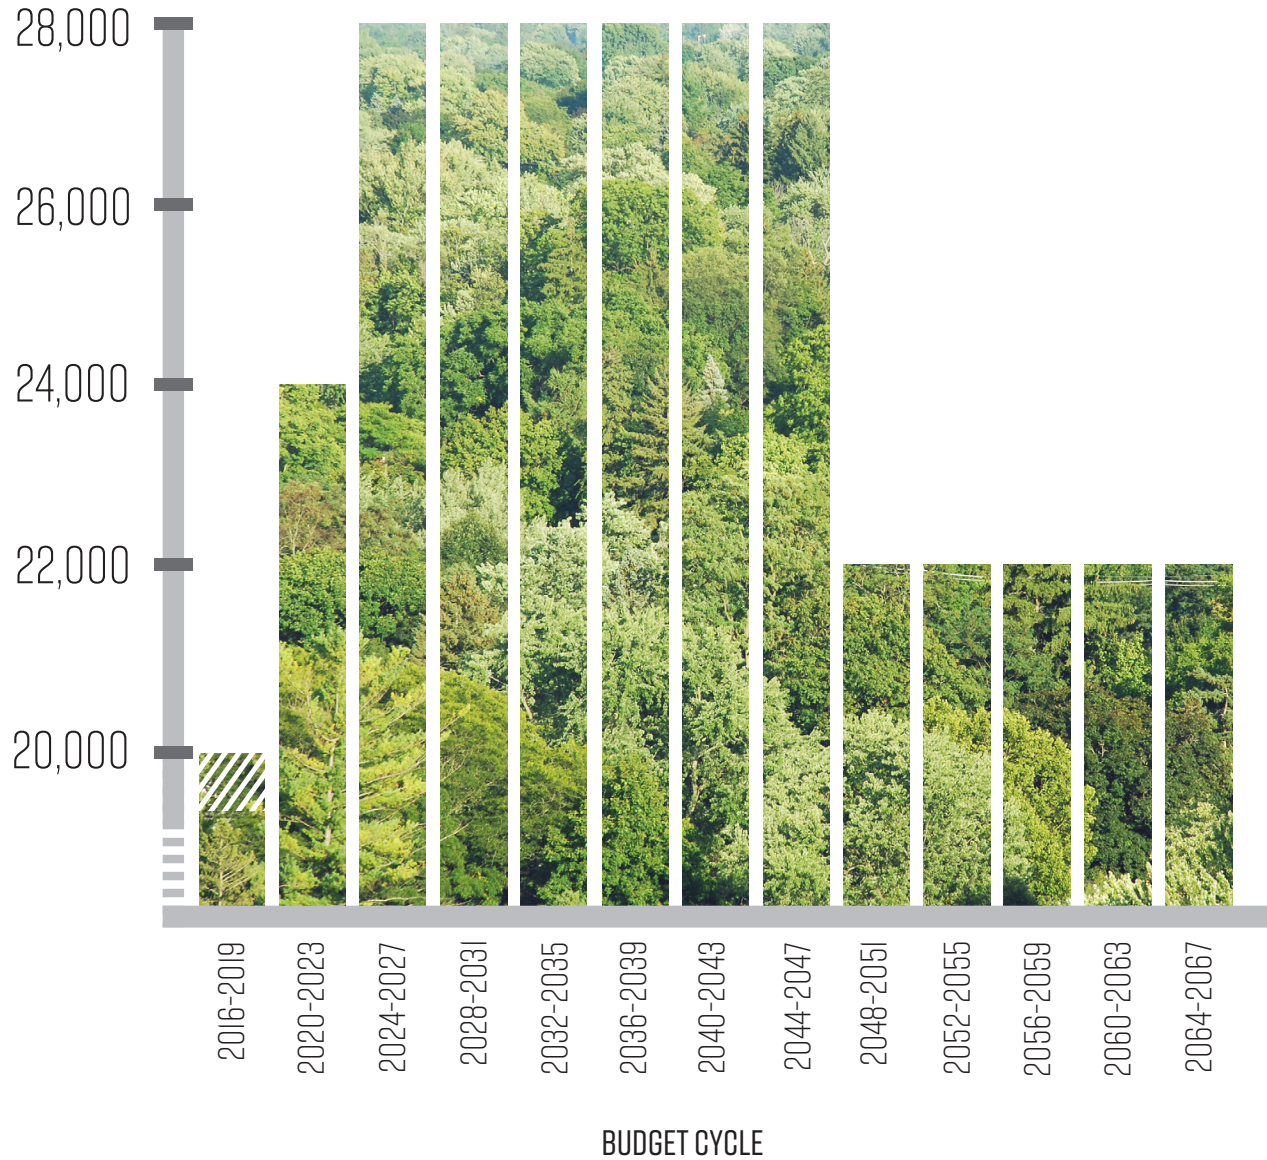

City-owned lands within the Urban Growth Boundary are already at 42% tree canopy cover. The City will aim for 11% of the required new tree canopy target, averaging one Victoria Park of new tree canopy cover for each year of planting. Everyone else will be encouraged and supported by the City and its partners to plant seven Victoria Parks every year starting in 2017.

CITY PLANTING

TREES PLANTED PER BUDGET CYCLE

Council approved an additional \$1.8 million (\$450,000/year) for tree planting in the 2016-2019 budget cycle only.
