Re: Rapid Transit Implementation Working Group

---

Last year, the Municipal Council approved the terms of reference for the Rapid Transit Implementation Working Group (RTIWG). Those terms of reference set the composition for the RTIWG as follows:

*The Working Group shall be comprised of Members of Council who have indicated to the City Clerk their willingness to serve on the Working Group and three representatives from the London Transit Commission.*

I believe that I can make a strong contribution to the Working Group and am, therefore, seeking appointment to the Working Group.

Respectfully submitted,
