Dear Ms. Saunders:

I met with City staff yesterday regarding Tridon Properties Ltd., Special Provisions, Agenda Item 6 on this coming Monday's Planning & Environment Committee meeting. At our meeting, it was determined that I should attend the Committee's Monday meeting to address the matter of a storm water catch basin proposed for my property at 1150 Fanshawe Park Road East.

Therefore, I request Delegation Status at the meeting. Please confirm your receipt of this request.

Thanks,

John Ross
