K. Scherr  
Managing Director, Environmental and Engineering  
Services and City Engineer

I hereby certify that the Municipal Council, at its meeting held on June 13<sup>th</sup>, 2017 resolved:

4. That, on the recommendation of the Managing Director, Environmental and Engineering Services and City Engineer, the following actions be taken with respect to the Blackfriars Bridge Rehabilitation:
- a) the staff report dated June 7, 2017, providing a project status update, BE RECEIVED for information in coordination with the public meeting identified herein; and,
  - b) the Managing Director, Environmental and Engineering Services and City Engineer BE DIRECTED to authorize the exemption from the Canadian Highway Bridge Design Code (under Clause 15.3.1) to enable the retention and continued use of the existing lattice in the pedestrian railing; it being noted that the lattice railing is a significant heritage feature of the bridge.
