Item #24 – Planning and Environment Committee – August 22, 2016

| |
|-------------------|
| BACKGROUND |
|-------------------|

The Tree Protection By-law C.P.-1515-228 contains a number of maps identifying Tree Protection Areas across the City. It has recently come to the Civic Administration's attention that Key Map D-16 is a duplicate of Key Map D-15 and the correct Key Map D-16 is not currently contained in the By-law. The attached proposed by-law (Appendix "A") will correct the mapping error.
