Do you feel safe in the city of London?: **No**

Why?: **I ride the bus to work downtown so I am always on alert. The first time I caught the bus coming home from dundas & richmond, a drug deal happened right beside me and the cops were maybe 50 yards away. I have made some friends with regulars as there is safety in numbers. Luckily my bus route is okay.**

Do you feel safe in your neighbourhood?: **No**

Why?: **My truck was broken into this past winter and ransacked. Nothing was stolen as I don't keep valuables in my vehicle but it still ***** me off. The one time I forget to lock it. It happened to my neighbors too.**

Do you know about the Neighbourhood Safety Audit Toolkit (Available at www.london.ca/neighbourhoods)?: **No**

Is your neighbourhood a Neighbourhood Watch area?: **No**

Do you consider Neighbourhood Watch an essential program that directly contributes to community safety and crime prevention?: **No**

Why?: **I have great neighbours and we look out for each other already.**

Do you feel safe using public transportation?: **Yes**

Why?: **While on the bus I feel safe. Waiting downtown for it, no I do not.**

Your Postal Code (A1B 2C3): **N6K 1A9**

Your age range: **40-49**

Do you feel safe in the city of London?: **Yes**

Why?: **For the most part, this is a safe city. Sadly there are issues arising - shootings, etc that never used to happen before.**

Do you feel safe in your neighbourhood?: **Yes**

Why?:

Do you know about the Neighbourhood Safety Audit Toolkit (Available at www.london.ca/neighbourhoods)?: **No**

Is your neighbourhood a Neighbourhood Watch area?: **No**

Do you consider Neighbourhood Watch an essential program that directly contributes to community safety and crime prevention?: **No**

Why?: **The program used to be essential. It was an amazing organization not that long ago. Sadly, it is non-existent as of late. The need is still there, yet the organization as it stands is useless - the board, the ED. I am very happy to hear that taxpayer dollars/City Funding will no longer be going towards this organization.**

Do you feel safe using public transportation?:

Why?: **n/a**

Are you aware of safety features and services on London Public Transit?: **No**

Do you feel safe on London roadways?:

Why?: **Sorry, but from what standpoint? London drivers are horrific.**

**The traffic lights are not in sync.
There are many issues.**

Are you aware of any road hazards in the city?:

If yes...:

If applicable, do you feel safe allowing your child/children to walk to school?: **Yes**

Why?: **We take the bus, yet I would be fine if we were close enough so they could walk.**

Now, if there were street lights that they had to cross - then, NO! I would not feel safe due to the lack of empathy drivers have for anything around them in this city.

Does your child's/children's school have a school travel plan?: **DNK**

Do parents/caregivers in your community currently walk groups of children to/from school?: **No**

If applicable, do you feel safe riding your bicycle or family members riding their bicycles in London?: **No**

Why?: **Yes - if in the park, or paths.**

No - if anywhere near a street in this city. Please see other notes regarding driving.

Do you have a Fire Safety Plan implemented in your home?: **Yes**

Would you like to see more information about Fire Safety Plans?: **No**

Are you aware of the requirement for Smoke Alarms and Carbon Monoxide sensors within your home?: **Yes**

Does your home meet the requirements?: **Yes**

What other safety concerns do you have that have not been addressed in this survey?:

Are there any items listed above you would like to see more public information on?:

What areas of concern would you like the Community Safety and Crime Prevention Advisory Committee to review and make recommendations on to City Council?: **Is this a joke? because the Community Safety and Crime Prevention Advisory Committee most certainly is! They sit around, waste tax payers dollars, accomplish nothing, and love the sound of their own voices. Recommendations - change it or get rid of it, plain and simple.**

Do you feel safe in the city of London?: **Yes**

Why?: **Because I have lived elsewhere and know how good it is here.**

Do you feel safe in your neighbourhood?: **Yes**

Why?: **Because Neighbourhood Watch exists and is effective as a crime prevention tool**

Do you know about the Neighbourhood Safety Audit Toolkit (Available at www.london.ca/neighbourhoods)?: **Yes**

Is your neighbourhood a Neighbourhood Watch area?: **Yes**

Do you consider Neighbourhood Watch an essential program that directly contributes to community safety and crime prevention?: **Yes**

Why?: **Really? You need to ask that? Because crime does not flourish in communities that care, communicate and talk to each other.**

Do you feel safe using public transportation?: **Yes**

Why?: **I am 6'2", white, male and am confident in my surroundings.**

Are you aware of safety features and services on London Public Transit?: **Yes**

Do you feel safe on London roadways?: **No**

Why?: **Because local drivers are some of the worst in the world. I have driven in many countries for many years. London's drivers are typically impatient, rude, careless and always in a hurry.**

Are you aware of any road hazards in the city?: **Yes**

If yes...: **Valetta Street. The concrete surface is crumbling and the City does not respond to requests for help.**

Bike lanes: often installed without reference to where they start and end. Cyclists are a secondary/tertiary consideration in this City

Are you aware that the Community Safety and Crime Prevention Advisory Committee (CSCP) meets six times a year and the meetings are open to the public?: **Yes**

Are you aware that the following groups have representation and participate on the CSCP committee: London Fire Department, Neighbourhood Watch, Active and Safe Routes to School, Child Safety Middlesex-London, YMCA Children's Safety Village, London Public Library, Middlesex London Health Unit, Emergency Medical Services Middlesex-London (EMS), London District Catholic School Board, Thames Valley District School Board, Thames Valley Home and School Association, seniors, The Council of Women, Western University Student Council, and members-at-large?: **Yes**

29. Are you aware of any organizations that are not currently represented on the CSCP or listed in its Terms of Reference, you think should be?: **No**

Why?:

What other safety concerns do you have that have not been addressed in this survey?: **Concerned that nobody will actually read or respond to this.**

Are there any items listed above you would like to see more public information on?: **How the City can properly support Neighbourhood Watch, rather than abandon it.**

What areas of concern would you like the Community Safety and Crime Prevention Advisory Committee to review and make recommendations on to City Council?: **I regret to say that, in my opinion, the CSCP Advisory Committee is largely a toothless talking shop that talks a good fight but achieves little.**
