Dear Ms. Saunders:

Please be advised that as of November 30, 2017 the terms of the following appointees to the Kettle Creek Conservation Authority will expire:

Councillor J. Zaifman  
Bill Mackie  
Ralph Winfield

Messrs. Zaifman, Mackie and Winfield have all expressed their interest in continuing to represent the City of London on KCCA's Board of Directors.

Therefore, I am requesting that the above representatives be re-appointed for an additional one-year term, ending November 30, 2018. The end of this additional term would coincide with the next municipal election, ensuring continuity until that time.

Sincerely,

A handwritten signature in blue ink that reads "Elizabeth VanHooren".
