Dear Mr. Belch:

Re: Possible repayment of Financial Assistance, as defined and provided through the Funding Agreement ("Funding Agreement") made as of March 8, 2005, between Her Majesty the Queen in right of Ontario as represented by the Minister of Natural Resources, now the Minister of Natural Resources and Forestry ("Ministry") and The Corporation of the City of London ("City"), for the Springbank Dam Rehabilitation Project

I confirm the request of the City to review the Funding Agreement as to whether the Ministry would seek repayment of the Financial Assistance provided to the City and for me to communicate the Ministry's position directly to you.

I wish to advise that the Ministry will not be seeking repayment of the Financial Assistance received by the City through the Funding Agreement.

Sincerely,

A handwritten signature in cursive script that reads "M Wilson".
