

NOTICE OF PUBLIC INFORMATION CENTRE
Clarke Road Improvements
Veterans Memorial Parkway Extension to Fanshawe Park Road East
Municipal Class Environmental Assessment

The City of London is undertaking a Municipal Class Environmental Assessment (EA) to identify transportation improvements to the Clarke Road corridor between the Veterans Memorial Parkway (VMP) Extension (currently under detailed design) and Fanshawe Park Road East. The study is being undertaken in accordance with the requirements for Schedule 'C' projects within the Municipal Class EA document (2000, as amended in 2015), under the *Ontario Environmental Assessment Act*.

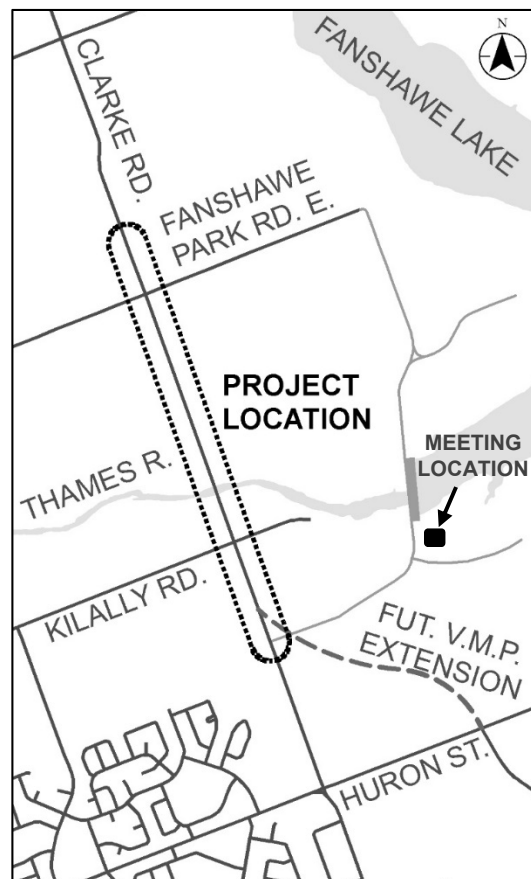

Why are we studying Clarke Road?

The 2030 Transportation Master Plan and the 2014 Development Charges Background Study identified the widening of Clarke Road (from two (2) to four (4) lanes with consideration given to the ultimate build-out of six (6) lanes) as a priority project to address future traffic volumes associated with background development and improvements to the VMP.

How can I participate in the study?

The first of two (2) Public Information Centres (PICs) will be held on Thursday, September 21, 2017 to provide the following information for public review and comment:

- The existing natural, socio-economic, and cultural environments within the study area;
- Analysis of existing and future travel demands;
- Alternative solutions to address future conditions; and
- Evaluation of alternative transportation solutions and preliminary recommendations.

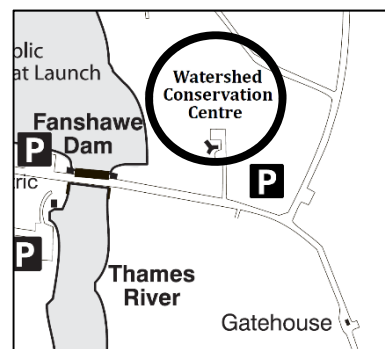

Following the PIC and the receipt of public, agency, and Indigenous community input, design alternatives will be identified for the recommended solutions, and will be presented for public review and comment at the second of two (2) PICs in late 2017. We encourage you to attend this PIC and provide input on the study. PIC display material will be made available on the City's website following the PIC: <http://www.london.ca/residents/Environment/EAs/Pages/Clarke-Road-Improvements.aspx>

PUBLIC INFORMATION CENTRE

DATE: Thursday, September 21, 2017

TIME: Drop-in between 4:30pm-7:30pm

LOCATION: Upper Thames River Conservation Authority
 Watershed Conservation Centre
 Fanshawe Conservation Area
 1424 Clarke Road, London ON
 (between Huron Street and Kilally Road)
