Schedule	Tentative Start – September 20 th Estimated Completion – End of October, 2017
Scope	Widening and Paving of the existing road platform to the east and realignment of the existing east ditch
Traffic Impacts	<ul style="list-style-type: none">• One lane of traffic in each direction will be maintained• Lane restrictions and flagging to one lane will be permitted during some construction activities
Contractor	Armstrong Paving

**Please note that the timelines are approximate and subject to weather, approvals and other factors.*

Project Map

How Will Construction Impact You?

Working Hours: Work will typically take place from 7:00 a.m. to 5:00 p.m., Monday to Friday. In some circumstances work may need to occur outside of these typical hours to accommodate the completion of the project within the established schedule and to minimize the social impacts of the work.

Street Access and Parking: Wonderland traffic will be maintained, however flagging to one lane will be permitted during some construction activities.

Contact Information

If you have any questions about this project please contact one of the people listed below. During construction you can also speak with the inspector on-site. If there is a construction related emergency and there are no staff on-site to report it to then please contact the City of London dispatch at 519-661-4965.

Consultant Project Manager	Serge Bianchin, 519-904-1795, Serge.Bianchin@wsp.com
