Subject: Re: fw: re: Town & Gown Representative

Hi Heather,

To allow for continuity from last year, Joe Henry will be the official representative from King's to the Town & Gown committee. I can attend meetings alongside as a resource.

However after reviewing the voting structure and representation of the committee, my only feedback would be to specify or add a student rep to the "1 Western University' Affiliated Colleges (Brescia, Huron, and King's University College) Representative".

Fanshawe and Western both have a representative from their 1) Students' Council (student voice) and 2) administration, which would only make sense to grant to the Affiliated Colleges as well. Joe as an administrator will bring unique suggestions and recommendations from his position, which would differ from my voice as a student representing the King's Students' Council.

Please advise on this. Our Affiliate College Students' Council MOU has a rotating cycle for Brescia, Huron, and King' presidents to attend - so I would like to discuss this so it is not an issue for the coming years as well.

Thank you for your help. Have a great day!
