His Worship the Mayor
and Members of Council

**Re: Motion of Which Notice is Given – Expanded London Police Services Board –
Additional City Council Appointment**

Under the attached Order in Council dated May 3, 2017, the London Police Services Board received approval to expand its membership from 5 to 7, with one additional person to be appointed by the Lieutenant Governor in Council, and the other additional person to be a Council Member appointed by the Municipal Council. The London Police Services Board has been advised that the Province is hopeful that its appointment could be made as early as November. It would be helpful if the Municipal Council could make its appointment concurrent with that of the Province. We would, therefore, ask the Municipal Council to identify its appointee and consider passing the following motion to effect the appointment:

Moved by Councillor S. Turner, seconded by Mayor M. Brown:

That Councillor [name] BE APPOINTED to serve as the Municipal Council's representative on the London Police Services Board for a term commencing concurrent with the appointment of the yet-to-be-named provincial appointee, and ending on November 30, 2018.

Councillor Stephen Turner
Ward 11

Mayor Matt Brown
