Subject: Election sign by-law

Hi Cathy,

I watched the council discussion Monday night on the sign by-law (as well as other matters).

I would like to respectfully request delegate status at the committee meeting at which this item will be heard again.

Having worked in one capacity or another, from sign crew to campaign manager, during every election campaign in London since 2003 at municipal, provincial, and federal levels, I believe I can bring a perspective to committee members that can help them reach a compromise that will be acceptable to the majority of council and we'll be received by the community at large.

Please let me know if you require further information for the request, and confirm if accepted, what date and time I can appear before the committee.

Best regards,

Shawn Lewis
