Construction Notice

Dundas Street and Crumlin Side Road Intersection Improvements

October 16, 2017

Dear Property Owner/Resident,

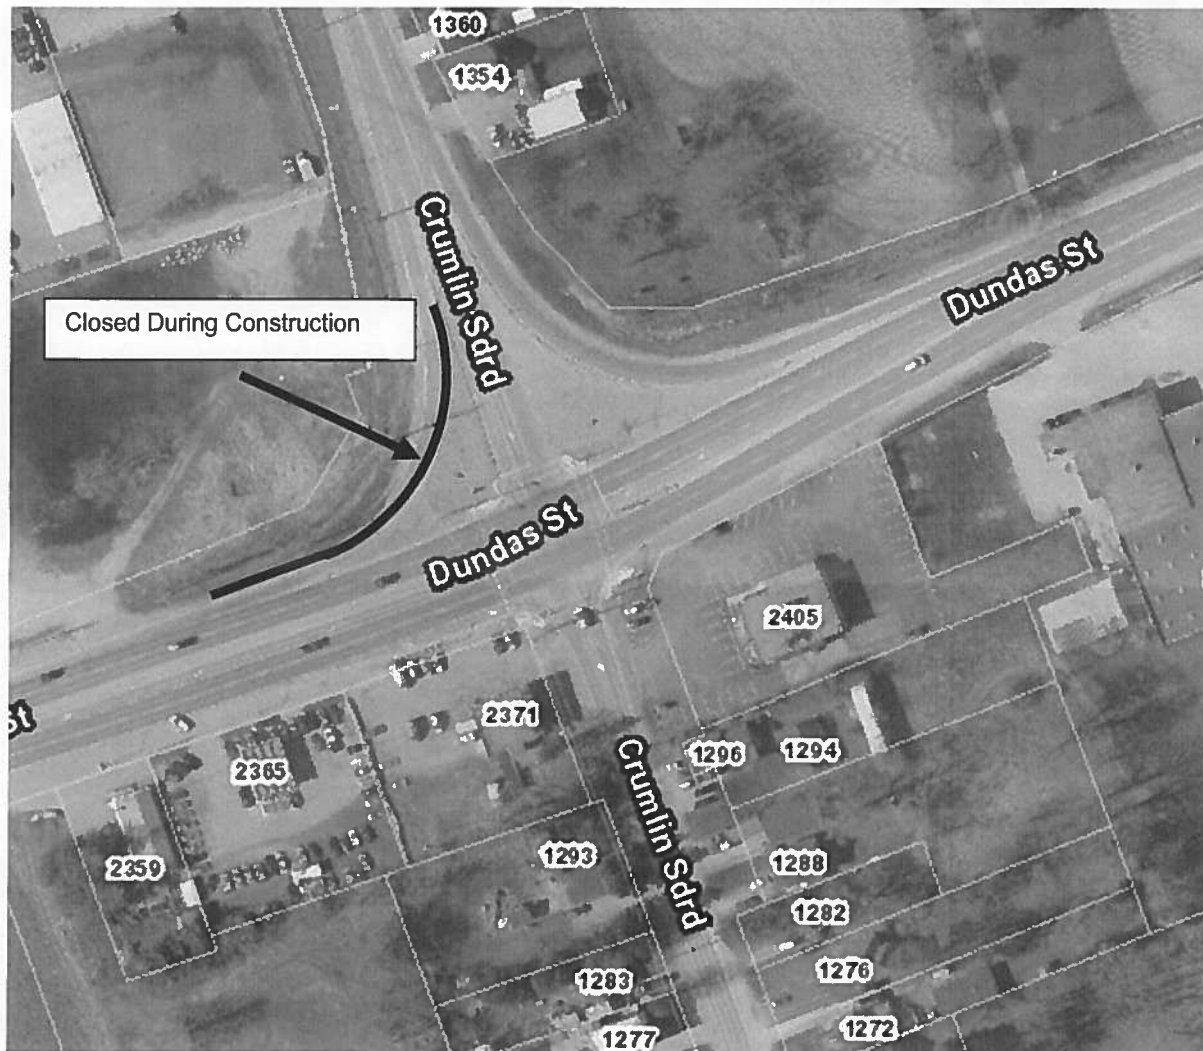

The City of London will be starting a construction project in your area. This letter provides details about the project and important information on how construction may impact you.

Project Details

Location	Dundas Street and Crumlin Side Road Intersection Improvements
Schedule	Tentative Start – October 18 th Estimated Completion – End of November, 2017
Scope	Realignment of the existing right turn channelization lane, construction of a median island on Crumlin Side Road, and construction of a sidewalk along Dundas Street.
Traffic Impacts	<ul style="list-style-type: none"> Existing right turn channelization lane will be closed for entire duration. Northbound and southbound traffic on Crumlin Side Road will be maintained. Lane restrictions and flagging to one lane will be permitted during some construction activities.
Contractor	Armstrong Paving

**Please note that the timelines are approximate and subject to weather, approvals and other factors.*

Project Map

How Will Construction Impact You?

Working Hours: Work will typically take place from 7:00 a.m. to 5:00 p.m., Monday to Friday. In some circumstances work may need to occur outside of these typical hours to accommodate the completion of the project within the established schedule and to minimize the social impacts of the work.

Street Access and Parking: Traffic will be maintained, however flagging to one lane will be permitted during some construction activities.

Contact Information

If you have any questions about this project, please contact one of the people listed below. During construction you can also speak with the inspector on-site. If there is a construction related emergency and there are no staff on-site to report it to then please contact the City of London dispatch at 519-661-4965.

City Project Manager	Michelle Morris, EIT., 519-661- CITY (2489) ext. 7327 mmorris@london.ca
