W. Abbott  
Project Manager, Solid Waste Management

Chair and Members  
London Advisory Committee on Heritage

G. Nichols  
Ecological Technician

I hereby certify that the Municipal Council, at its meeting held on October 17, 2017 resolved:

2. That, the following actions be taken with respect to the 3rd Report of the Agricultural Advisory Committee from its meeting held on September 20, 2017:

a) the Municipal Council BE ADVISED that the Agricultural Advisory Committee (AAC) supports the residual waste strategy related to the proposed expansion of the W12A Landfill which includes:

- an extension of the waste disposal capacity to the year 2050 (25 years beyond existing capacity);
- placing limits on annual tonnage that can be landfilled;
- considering allowing neighbouring municipalities to use new/expanded facilities; and,
- committing to increasing residential waste diversion from 45% to 60%;  
it being noted that the AAC heard a presentation, as appended to the agenda, from W. Abbott, Project Manager, Solid Waste Management, related to this matter;

b) the London Advisory Committee on Heritage (LACH) BE ADVISED that the Agricultural Advisory Committee (AAC) supports updating the LACH Terms of Reference to remove the voting representative from the AAC as a part of the LACH membership; it being noted that the AAC is willing to provide support on an ad hoc basis when required;

c) G. Nichols, Ecological Technician, BE ADVISED that H. Fletcher will attend London Phragmites Working Group (LPWG) meetings to represent the Agricultural Advisory Committee, schedule-permitting;

d) S. Franke BE REQUESTED to contact P. Kozak, Provincial Apiarist, Ministry of Agriculture, Food and Rural Affairs, to request that the Agricultural Advisory Committee be notified when *The Bees Act, R.S.O. 1990, C. B.6* is available for review and public consultation, as it is expected this review will begin later this year; and,

e) clauses 1 and 3 to 7 BE RECEIVED. (2/19/PEC)

C. Saunders  
City Clerk  
/lk

cc. J. Stanford, Director, Environment, Fleet and Solid Waste
