Subject: CAIP Category 1 Policy Requirements - Semi- annual Reporting

Betty,

With direction from Robin Armistead, The Grand Theatre is requesting delegation status for The Grand Theatre at the IEPC meeting on June 24, 2013.

The Community Arts Investment Policy (CAIP) Category 1 which was approved by Council, has a requirement under the section of Progress Reports that *“Successful applicants shall be required to provide City Council with semi-annual updates.”*

These semi-annual program and financial updates have traditionally been provided to Council in June and December of each year; therefore, we ask for this delegation status for the June IEPC meeting.

Thank you.

Deb
