Re: Sponsorship Request – Girl Power – Veterans Memorial Parkway Community Program

I am seeking Council approval of sponsorship funding for Girl Power to undertake a tree planting project along the Veteran's Memorial Parkway, in partnership with Landscape Ontario.

Girl Power provides "a place where girls can participate in recreation opportunities, learn about being healthy and boost their self-esteem in a safe and supportive environment". Girl Power holds annual conferences in various cities. The London Conference is intending to incorporate the tree planting project noted above.

I am therefore seeking sponsorship funding for the tree planting project as part of the 2013 Girl Power Conference.

I will be available to address any questions that may arise as a result of this request.

Respectfully,

Sandy White  
Councillor Ward 14
