Re: Greenway Off-Leash Dog Park Hours

I respectfully request delegation status at the September 13, 2011 Community and Neighbourhoods Committee meeting regarding the Greenway Off-Leash Dog Park hours of operation, it is open year round, from 6 a.m. until 10 p.m. It has been suggested that it opens too early, and the noise is disturbing the neighbours.

I would like to propose that staff review a later opening time, especially on weekends.

Respectfully submitted,

D. Brown / SM
